Mr. Admiral Stansfield Turner
Director of C.I.A.
Washington, DC 20505

Dear Mr. Turner:

The Nabet strike at ABC has been settled, and "Issues and Answers" is extending a long-delayed invitation to you to join us on a Sunday in the near future.

All of us at the ABC Television and Radio Networks regretted very much the fact that we have not presented Carter cabinet members during the strike, and hope that we can get together soon with the CIA Director.. at a time most convenient to you.

We shall be in touch with Mr. Herbert Hettu on a date that will tie in with pending legislation that will affect you, and make the show most significant and newsworthy for you and for us.

With very best wishes, I am

Most sincerely,
